SOUTHEASTERN PENNSYLVANIA TRANSPORTATION AUTHORITY

INTERDIVISIONAL

TARIFF NO. 132
SUPPLEMENT NO. 29

LOCAL RATES OF FARE AND REGULATIONS GOVERNING

THE FURNISHING OF PASSENGER TRANSPORTATION

ON REGULAR SCHEDULED SERVICE BETWEEN SEPTA DIVISIONS

ISSUED: March 17, 2017 APPROVED:

AMENDED: EFFECTIVE:

ISSUED BY:

Jeffrey D. Knueppel
General Manager
1234 Market Street
Philadelphia, Pennsylvania 19107-3780

CHANGES MADE BY THIS TARIFF

1) TransPasses are only valid for scheduled service specifically designated as a Saturday, Sunday or major holiday for travel on the railroad.

2) The Cross County pass City zone fee of $0.50 is eliminated.

3) Quantity Purchase prices have been changed to reflect the fare increase.

4) SEPTA Key replaces the term New Payment Technology as SEPTA's new fare payment technology.

During the effective period of this Tariff, SEPTA will be transitioning to full implementation and use of the SEPTA Key Card. The Fares, Rules and Regulations in this Tariff will overlap the transition period to this Technology, so it is necessary to establish two sets of rules to accommodate legacy fare products and SEPTA Key. During the transition period, both sets of Fares, Rules and Regulations would be in effect and would apply to the specific technology in use at the time.
