CITY TRANSIT DIVISION

TARIFF NO. 1
SUPPLEMENT NO. 38

LOCAL RATES OF FARE AND REGULATIONS
GOVERNING THE FURNISHING OF
PASSENGER TRANSPORTATION
ON REGULARLY SCHEDULED SERVICE

ISSUED: March 12, 2013

APPROVED: May 23, 2013

AMENDED:

EFFECTIVE: July 1, 2013

ISSUED BY:

Joseph M. Casey
General Manager
1234 Market Street
Philadelphia, PA 19107-3780

CHANGES MADE BY THIS TARIFF

- 1 – Fares in Table 1 have changed.
- 2 – TransPasses will no longer be valid on Regional Rail for travel between Center City Stations on non-holiday weekdays.
- 3 – Upon implementation of New Payment Technology, TransPasses will no longer be valid on Regional Rail for travel on the Airport Line to/from the Airport and Center City Stations on non-holiday weekdays.
- 4 – Extra Fare Zone has been eliminated for routes 14, 22, 44, 52 and 55.
- 5 – The Male/Female designation requirement on passes has been eliminated.
- 6 – New Fares, Rules and Regulations have been established to go into effect and supersede the current Fares, Rules and Regulations when the transition to New Payment Technology has been completed.

During the effective period of this Tariff, SEPTA will be instituting a New Payment Technology. The Fares, Rules and Regulations in this Tariff will overlap the transition period to this Technology, so it is necessary to establish two sets of rules to accommodate each of the methods. During the transition period there will come a time when both technologies will be used simultaneously, in which case, both sets of Fares, Rules and Regulations would be in effect and would apply to the specific technology in use at the time. The first set of Fares, Rules and Regulations will cover the period prior to the establishment of New Payment Technology, while the second set will supersede the first when New Payment Technology goes into effect.
