## **CHANGES MADE BY THIS TARIFF**

- 1) Fares in Tables 1 and 2 have changed.
- 2) Premium fares were removed from Special Fare Routes 123, 124, 125, 150 and NHSL and replaced with standard transit fares.
- 3) TransPasses are only valid for scheduled service specifically designated as a Saturday, Sunday or major holiday for travel on the railroad.
- 4) The Cross County pass City zone fee of \$0.50 is eliminated.
- 5) SEPTA Key replaces the term New Payment Technology as SEPTA's new fare payment technology.
- 6) Definition of a Transfer in Section 2-A item 2 has been refined.
- 7) Quick Trip ticket was added to the list of fare instruments pertaining to SEPTA Key.
- 8) Once SEPTA Key is fully operational the following changes will be implemented:
  - Transfers will only be available via use of a SEPTA Key Card. The purchase of a paper transfer is eliminated.
  - Disabled fare only available via use of a SEPTA Key Reduced Fare Photo ID Card. The Medicare and PA. Reduced Transit fare ID cards will no longer be acceptable forms of identification.
  - Senior rides only available upon swiping a valid PA. Driver's license, PA. issued photo ID card or tapping a SEPTA Senior Key Card. The Medicare, blue/yellow senior citizen cards, and Railroad Retirement Health Insurance cards will no longer be acceptable forms of identification.

During the effective period of this Tariff, SEPTA will be transitioning to full implementation and use of the SEPTA Key Card. The Fares, Rules and Regulations in this Tariff will overlap the transition period to this Technology, so it is necessary to establish two sets of rules to accommodate legacy fare products and SEPTA Key. During the transition period, both sets of Fares, Rules and Regulations would be in effect and would apply to the specific technology in use at the time.
